NATIONAL WORKSHOP ON SECOND VATICAN COUNCIL

THE IMPACT OF
ORIENTALIUM ECCLESIARUM
ON THE EASTERN CATHOLIC
CHURCHES IN INDIA

04-06 September 2014

THE IMPACT OF ORIENTALIUM ECCLESIARUM ON THE EASTERN CATHOLIC CHURCHES IN INDIA

The Ecumenical Council, Vatican II, was a watershed in the history of Catholic Church and one of its important contributions was the rediscovery of the understanding of the Church as a communion of churches with their particular biblical, historical, theological, ecclesiological, spiritual, canonical and liturgical perspectives and charisms. The Decree on Eastern Catholic Churches, *Orientalium Ecclesiarum*, was promulgated on 21 November 1964. Hence, after fifty years, we revisit the Decree and try to delve deep into the biblical, historical, theological, ecclesiological, spiritual, canonical and liturgical aspects of the Eastern Catholic Churches in the Catholic communion, especially in the context of India. In India there are three churches *sui iuris* and the focus of the National Workshop is on the "Impact of *Orientalium Ecclesiarum* on the Eastern Catholic Churches in India."

Objectives:

Dharmaram Vidya Kshetram (DVK) is a Pontifical Athenaeum of Philosophy, Theology, Canon Law and Formative Spirituality & Counselling, Bangalore. The Faculty of Theology, under the auspices of **Placid Podipara Centre for Eastern and Indian Christian Studies** (**PPCEICS**), is organising this National Workshop. The scholars from all over India, representing the Eastern Catholic Churches, will evaluate the impact of the Decree on the Eastern Catholic Churches. The pluralistic ecclesial traditions of India make this Workshop more meaningful. The complementary characters of the Constitution on the Church (L.G.), on the Sacred Liturgy (S.C.), Decree on Ecumenism (U.R.) and Eastern Catholic Churches (O.E.) also will be points of discussion for the Workshop.
